

Dear FCC,

Please use your authority to Stop Politically motivated broadcasts that are biased. The production of "Stolen Honor" is exactly that. The Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of one sided smear campaign. If there is to be a true democracy in this country then there needs to be fair and equal representation during any election.

Please take appropriate actions and STOP Sinclair from abusing it's power over the air waves of this great country!

Thank you.

Sincerely,

William B. Gannon
